

## Vacancy Announcement

### Senior Research Assistant/Research Associate

BRAC JPGSPH was founded in 2004 in Dhaka, Bangladesh to address the unmet public health challenges particular to Asia, Africa and South America. The school ensures premier higher education with unparalleled real-life teaching and learning focuses on pressing and emerging national and global public health challenges.

The school envisions being the leading global public health institute for the world's pressing health challenges affecting disadvantaged communities. The school builds capacity and contributes to Public Health by creating innovative public health leaders and solutions through cutting-edge, experiential Education, Training, Research and Advocacy. The aim is to enable public health leaders, practitioners, critical thinkers, researchers, advocates, and stewards in order to enable concrete changes to improve the lives of disadvantaged populations locally, regionally and internationally.

**Purpose:** The James P. Grant School of Public Health is looking to hire one full-time senior research assistant to help support an on-going study of the Kishoree Kontha project, evaluating the effects of a variety of training and conditional transfer packages on girls' marriage outcomes and economic opportunities.

We are looking to recruit a **Senior Research Assistant/Research Associate** for the School.

#### Key responsibilities:

- Implement all design and questionnaires changes in Bangla;
- Develop field work schedules for phone and in-person surveys in consultation with the research team;
- Supervise the data collection process and manage the enumerators;
- Develop quality control protocols with support from the research team;
- Report to the PIs and RC about the data collection progress;
- Provide advice to the PIs and RC on how to resolve challenges in the field.

#### Requirements:

- Education: Bachelor's degree in economics, public policy, business or other quantitative social science disciplines.
- A minimum of 1-year of work experience is required. Experience managing surveys and field staff in Bangladesh strongly preferred.
- Excellent management and organizational skills; ability to successfully complete assigned tasks and meet deadlines required.
- Communication Skills: attention to detail and advanced writing and presentation skills are required.
- Excellent verbal and written communication in English and Bangla required.

**Salary:** Attractive salary package will be offered for truly deserving candidates.

**Timeline:** The position is available immediately and up to 12 months contract based on performance.

**Application Procedure:** Interested candidates meeting these requirements are requested to visit the link for more details at <https://bracijgsph.org/career.php> or submit the application through email at: [monia.tomasella@duke.edu](mailto:monia.tomasella@duke.edu) and CC to [fatema.mohammad@bracu.ac.bd](mailto:fatema.mohammad@bracu.ac.bd) on or before December 29, 2021. Please mention in the subject line of your email:

**Job Application for the position of Senior Research Assistant/Research Associate.**

Only shortlisted candidates will be contacted. Any attempt to interfere with the selection process will disqualify the candidate.

We are an equal opportunity employer and encourage applications from qualified women and minority candidates.
